Report of the statutory auditors on the limited statutory examination to the members' meeting of the association Women's Hope International, Berne

As statutory auditors, we have examined the financial statements (balance sheet, income statement, statement of change in capital and notes) of Women's Hope International for the financial year ended at 30 September 2019. In accordance with Swiss GAAP FER the information in the performance report is not subject to audit or examination work performed by the statutory auditor.

These financial statements are the responsibility of the Board. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements do not give a true and fair view of the financial position, the results of operations and the cash flows in accordance with Swiss GAAP FER and do not comply with the law and the articles of incorporation.
